

At Loch Raven Technical Academy

- Who:** Baltimore County Public School students recommended for reading and mathematics skills and knowledge development. **Seats are limited. Enrollment is on a first come basis.**
- What:** Students participate in research-based reading and mathematics programs designed to meet the specific instructional needs of each student. Each day will include two hours of reading and two hours of mathematics in which students rotate among different stations.
1. Online programs using pre-assessments to prescribe targeted individualized learning experiences.
 2. Project-based activities engaging students in deeper learning experiences.
 3. Teacher-led individualized instruction providing feedback as students progress through each concept.
- Where:** Loch Raven Technical Academy
8101 La Salle Road

Attendance: In order to meet MSDE regulations for blended learning, students must attend class unless prevented by illness, death in the family, or court-related matters.

- Students having more than four absences will be withdrawn.
- Three days late for thirty minutes to 1½ hours will constitute one absence.
- Students who miss more than 1 ½ hours in a school day will be marked absent for the whole day.
- Parent/Guardian will be contacted by phone when students are marked absent.

Special Education: Students who currently receive special education services may register for an appropriate Extended Year Learning Program. Only classroom accommodations and testing modifications will be provided.
